Havana, Cuba, on the 26th, 27th, 28th, and 29th of December, 1900. The original intention was to hold the congress at Caracas, Venezuela, in December, 1899, but on account of the disturbed political conditions in that country the medical profession there first advised that the meeting be postponed to December of this year, and now have requested that some other country be selected. Owing to the lack of adequate hotel accomodation in Havana, it has been suggest ed that an entire hotel be reserved for the foreign visitors, especially those from this country and Canada, of whom it is believed many will be in attendance.
