By Stacey M. Whitecotton, Robert Libby, Fred Phillips

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Managerial Accounting (2nd International edition), Stacey M. Whitecotton, Robert Libby, Fred Phillips, Whitecotton, "Managerial Accounting 2e" and Connect Plus present an integrated and proven solutions designed to help attain course goals of student readiness and motivation, comprehension of content, and application of key concepts. Whitecotton, "Managerial Accounting 2e" addresses the reality of students taking the managerial accounting course: the majority of them will not become accounting majors and accountants; instead they will use accounting information in their professional lives to make business decisions. Therefore, the greatest challenges instructors have are to engage these students in the managerial accounting course, keep the students motivated throughout the course, and teach them accounting in a way that connects conceptual understanding to the real world, so students will be able to analyze and apply their managerial accounting knowledge successfully in careers as managers in the world of business. Whitecotton 2e will engage and motivate students by presenting accounting in the context of real, recognizable companies like Apple, Starbucks, and California Pizza Kitchen, then integrate those companies throughout the chapters. This will allow students to see accounting information being used to make real business decisions...
