

Art Machine: A Reinvention of Photography, 1959-1999 (Paperback)

By Clark Worswick

BookBaby, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. ArtMachine: A Reinvention of Photography is the story of the long war for photographys acceptance in the art world during the last decades of the 20th century. More than just a history or a biography, this book is an insiders" view of the photography world. It has been written by a practicing photographer, who was also the founding photography curator of the oldest museum in America, and who became an important photographic historian and collector of photography. More than just a history or a biography, Clark Worswick s, ArtMachine: A Reinvention of Photography, 1959-1999 is an insiders" view of the photography world. It has been written by a practicing photographer, who was also the founding photography curator of the oldest museum in America, and who became an important collector of photography. In his introduction to this book, the author wrote, I began taking photographs and tried to learn the history of a neglected, beaten down, battered medium few people took seriously in the art world. I wandered a world barren of respect during decades of struggle for photography." In 1959, on the...
