Food in Global History (Paperback)

By Raymond Grew

The Perseus Books Group, United States, 2000. Paperback. Book Condition: New. Revised ed.. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Social scientists have studied foods in many different ways. Historians have most often studied the history of specific foods, and anthropologists have emphasized the role of food in religious rituals and group identities. Sociologists have looked primarily at food as an indicator of social class and a factor in social ties, and nutritionists have focused on changing patterns of consumption and applied medical knowledge to study the effects of diet on public health. Some scholars from these and other disciplines have studied the economic and political connections created around commerce in food, regionally and around the world. Now, all of these perspectives are brought together in a single volume. Fifteen specialists currently working in Canada, England, France, Guatemala, Norway, and the United States come together to apply their expert knowledge of food and food consumption in a new context, global history. In general essays and case studies, they reflect on the connections across space and time in what people eat and assess historical patterns of change in the human diet. The book begins with...
