Questions that have now become a priority .Why has there been no word from the Confederation: the Legion s own government and the power behind a thousand star systems? Against all odds, the Last Legion managed to reclaim the volatile Cumbre star system. Isolated at the edge of the galactic empire and outnumbered, it was a hard-fought war. And it was won without any help from the human Confederation government. The Confederation remained ominously silent throughout. Now, to answer these questions, the Legion must travel across galaxies to gather information. But can they keep their mission a secret from enemy forces - and will they have time to discover the truth?.
