## SCHOOL EDUCATION: CHARLOTTE MASON HOMESCHOOLING SERIES, VOL. 3 (PAPERBACK)

Bottom of the Hill Publishing, United States, 2010. Paperback. Book Condition: New. 234 x 190 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.School Education is the third volume of Charlotte Mason's six part homeschooling series, a series that is considered one of the finest ever written on education. School Education consists of Mason's beliefs about teaching and curriculum for children 9-12 years old in home or public school. Charlotte Mason was a British educator whose ideas were far ahead of her time. She believed that it was better to feed the minds of children with living literature and vital ideas than dry facts and knowledge filtered and predigested by the teacher. Mason's method of education shows its strength through its widespread use today by private schools and homeschooling families. It is flexible and includes first-hand exposure to ideas through books in art, music, and poetry, nature observation as the primary means of early science teaching, use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization, and an emphasis on character and on cultivating and maintaining good personal habits. The complete collection of Charlotte Mason's Original Homeschooling Series includes: Volume 1 - Home Education Volume 2 - Parents and Children Volume 3 - School Education Volume 4 - Ourselves Volume 5 - Formation Of Character Volume 6 - Towards A Philosophy of Education.
