New Wings: Poems 1977-2007

By Robyn Bolam

Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, New Wings: Poems 1977-2007, Robyn Bolam, The poems in "New Wings" focus on many different kinds of beginnings. Drawn both from new poems as well as from two earlier collections, the book gives a fresh airing to the poetry of a talented writer whose work has been unavailable for many years. The 'new wings' in this wide-ranging selection can be the pages of a comic in a child's eureka moment of learning to read or those of a woman transforming herself into flames to leap across the hemispheres like a forest fire. These are poems of living through and coming to terms with changes - sometimes momentous or traumatic - and moving on into the future. In them, the reader travels from Scotland to Stockholm, the Californian desert, New York, rural Pennsylvania, Venice, Constanta, the Blue Mountains, Sydney and Tyneside.
