

Through the Looking-Glass - The Original Classic Edition (Paperback)

By Lewis Carroll

Emereo Classics, Australia, 2012. Paperback. Book Condition: New. Original. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Through the Looking-Glass, and What Alice Found There (1871) is a work of literature by Lewis Carroll (Charles Lutwidge Dodgson). It is the sequel to Alices Adventures in Wonderland (1865). The themes and settings of Through the Looking-Glass make it a kind of mirror image of Wonderland: the first book begins outdoors, in the warm month of May (4 May), uses frequent changes in size as a plot device, and draws on the imagery of playing cards; the second opens indoors on a snowy, wintry night exactly six months later, on 4 November (the day before Guy Fawkes Night), uses frequent changes in time and spatial directions as a plot device, and draws on the imagery of chess. In it, there are many mirror themes, including opposites, time running backwards, and so on. This is a high quality book of the original classic edition. This is a freshly published edition of this culturally important work, which is now, at last, again available to you. Enjoy this classic work. These few paragraphs distill the contents and give you...
