Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Modern Witch s Calendar (A Universal Calendar) by Mrs Bunny Bush includes many Pagan festivals for both the Southern and Northern Hemispheres. Not only these, but each day there is an idea for celebration and thought or something to look up further to inspire the Modern Witch and get her thinking about the world and her spirituality in correlation to other people and situations in the past, present and for her future. There are fun, light-hearted suggestions as well as ideas that are more about social awareness and mindfulness that are aimed to instigate inner change for the modern witch and those accessible to her. Also included are standard and cross cultural days of awareness and celebration. This truly is something to turn to time and time again over the years for fun, fulfilment and intrigue.
