Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This issue brief provides an overview of some of the key environmental protection issues that have been and are likely to continue to be the focus of public and congressional attention. A number of other key issues are likely to see, or have seen, action in the 108th Congress, including leaking underground storage tanks that may contaminate water supplies, wastewater treatment utility security, expanding authority for an EPA ombudsman, environmental concerns in surface transportation reauthorization legislation, brownfields grants, environmental issues in comprehensive energy legislation, .
