Accountability Office, 2009 OCLC Number: (OCoLC)299755687 Subject: Disabled veterans -- Rehabilitation -- United States. Excerpt: . . . database, which a VR and E official said may be due to the fact that track selection is not a mandatory data field. Additionally, the chart represents the most recently entered track selection for each veteran as of May 6, 2008, because the database does not maintain a historical record for veterans who change tracks. Sum of percentages may not equal 100 due to rounding. Also as part of the Five-Track process, VR and E established an employment coordinator position and job labs to assist veterans with preparing for and finding employment. Employment coordinators assess veterans readiness to seek employment, develop relationships with employers, and help place veterans in jobs. VR and Es job labs provide computers with employment-related software that VR and E staff and veterans can use for activities such as developing job search plans, preparing for interviews, and writing resumes. Though the Five-Track Employment Process was intended to modernize Incentives for Veterans the program and increase...
