Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Common Sense on Chronic Diseases: Or, a Rational Treatise on the Mechanical Cause and Cure of Most Chronic Affections of the Truncal Organs of Both Male and Female Systems, Embracing the Author s Views on Physical Education, and the Present Popular System on Artificial Life The Author simply means by the title of this work, that the principles of the book directly address the common sense of all, as being either palpably true or erroneous. The quaint, or what some may consider the too common style and expression of the work has been intentional, so that through it, while the medical proficient can of course understand, the quite common reader may be brought to feel confidence in his own judgment on the reasoning, though he could not, did it assume a higher style of address and expression. To this end, technical terms have been avoided, as far as could well be, and when indulged in, generally explained. Our general design has been to instruct the people, and make suggestions only to the medical profession. The contained sentiments are commended to the confidence of the popular reader, and to the courteous criticism and experiment of the profession. The Author has not designed to put out a system of medicine, or an infallible cure for any thing, but to show that there was a real distinction between mechanical and vital diseases, or these requiring mechanical and vital remedies, and that one will not answer the place of the other; also that the mechanical diseases, or causes of disease, are more common and extensive than is generally supposed. About the Publisher Forgotten Books publishes hundreds of thousands of...
