Bantam Doubleday Dell Publishing Group Inc, United States, 1991. Paperback. Book Condition: New. Reissue. 170 x 100 mm. Language: English . Brand New Book. For sixteen centuries the Order of Pythia has awaited the reappearance of the ancient oracle of sacred knowledge at Delphi. An earthquake, rending the earth beneath the ruins, has now heralded her return. Dorian Belecamus, a beautiful and bewitching archaeology professor, sees an opportunity to do more than dig into the past: this is her chance to seize control of her country's future--by becoming the Oracle of Delphi! And she's found just the man to help her consummate her scheme. He's brash, he's reckless, and he's fallen under her spell. His name: Indiana Jones. Their adventure spans the globe from Chicago to Paris to Greece, where, bullwhip in hand, Indy descends into the bottomless pit of the serpent god and finds a sacred stone that holds the key to the oracle's prophecies. But Dorian has designed an even more sinister fate for young Indy: she means to make him her lover, her priest, and her pawn in a plot to kill the king. Will Indy find the source of Pythia's powers--or will he find himself sacrificed at Dorian's altar, a victim of her deadly ambition and desire?.
