Xulon Press. Paperback. Book Condition: New. Paperback. 446 pages. Dimensions: 8.5in. x 5.5in. x 1.0in. The power of The Wonderful Most High Supernatural Orchestrator God is clearly seen through supernatural happenings and events that are unmistakably orchestrated by our Great and Marvelous Supernatural God that commands the winds, the rain, the lightning, thunder, and hail from Heaven. And all the elements of the earth are subject to His command. And nothing supernatural happens by accident in the Heavens or on the earth that arent orchestrated by The Most High Supernatural Orchestrator God. And The Supernatural God knows the thoughts and dreams of every mans heart and mind. Whenever I use the word supernatural it means that whatever Im talking about can only be done by the Supernatural Creator God. And when I use the word orchestrator it means whatever Im talking about was orchestrated by God Himself. Throughout the entirety of this book I continually use the phrase (The Supernatural Orchestrator God) because this book is an emphasis on Him and the supernatural things that can only be attributed to Him and none other. Every man should know that theres a price tag attached to sin, and the more a man sins, the greater his punishment for sin will be. It is The Supernatural Orchestrator God that decides the price for sin. And all throughout these stories about The Supernatural Orchestrator God, I illustrate through scripture the price for sin that every man pays without escape from his debt. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
