Sound Steps to Reading: Dictionary Common English Words (Paperback)

By Ph D Diane McGuinness

Trafford Publishing, United States, 2015. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.Sound Steps to Reading is a revolutionary spelling program based on new discoveries about the structure of the English writing system. Research by the author has revealed that about 90 percent of words in print are represented by 176 spellings. When these spellings are taught in an orderly way, consistent with the logic of an alphabet code, students of any age can learn to read and spell with relative ease. Sound Steps to Reading lessons are partially scripted, and no special training is required to teach this program. Lessons are designed to work for all ages and in any setting, ranging from home tutoring to the classroom. Lessons are set out in two programs. Sound Steps to Reading teaches spellings for common English words up to three syllables long. It is designed for students with a reading or spelling age of seven to eight years, who have some knowledge of basic phonics. Allograph I consists of a teacher manual, a spelling dictionary with 3,000 words, and a workbook or storybook.

Reviews

This is actually the finest ebook i have study right up until now. I have got study and so i am confident that i will going to read through once again yet again in the foreseeable future. I am happy to inform you that this is the finest publication i have study inside my personal lifestyle and may be he very best pdf for possibly.

-- **Hobart Anderson II**

Great electronic book and useful one. Better then never, though i am quite late in start reading this one. You can expect to like the way the author compose this ebook.
