## LITTLE BOOK OF DIANA

G2 Entertainment Ltd. Hardback. Book Condition: new. BRAND NEW, Little Book of Diana, Claire Welch, The Little Book of Diana shows the warm and human side to the world's most famous woman. Hers should have been a long and golden life filled with riches and acclaim when she married the most eligible of bachelors - Charles, the Prince of Wales, heir to the British throne. On August 31st 1997, the country came together in shock, grief and mourning following the tragic and untimely death of the much loved Princess Diana. Diana was much more than a Princess, she was an icon, and her hands-ons approach to people in need endeared her to everyone. Her loss was felt not only by the British people who loved her, but also by the rest of the world.
