IT S MORE THAN JUST THE DAY TO DAY. (PAPERBACK)

AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Is today as ordinary as all your yesterdays? Does it seem as exciting as all your tomorrows? Are you in a difficult moment? Are you satisfied, or do you desire something more out of life? Do you know what it is that you seek, and how to make the best of your everyday? These questions hang over us occasionally, adding to the pressures of daily survival. How do we get beyond? Existing in the daily routine is not yet living. We come repeatedly to the familiar life phases, and we consciously or unconsciously move on. Now we must learn to move beyond; for we are made to live a life far greater, and of more valued meaning than we simply acknowledge in our everyday. . .I have...
