Google, Yahoo and Bing are totally overloaded with information like newspaper articles, books and Human Resource consulting firms trying to sell their idea of Work Life Balance, Tips & Tricks and of course their best and only way to achieve it. Where does all that content come from and which is right Is there any right or wrong Is Work Life Balance a black or white topic Is it something where only one opinion is right and all others are useless and doomed to failure Hundreds of studies within the last couple of years and an unknown vast mass of self-declared experts suggest that Work Life Balance is a topic of fashion. Like burnout a huge bubble ready to burst and ready to be used...
